Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Gina D's Kids Club is an exciting, educational series for pre-schoolers. Specifically themed shows address the learning needs and potential of young children as they entertain, amuse, and delight viewers through a combination of live action and dynamic 3_D animation. This curriculum-based pre-school program aims to teach children social skills, language arts, and math through dances, silly songs, and colorful skits. The show is hosted by a positive adult female role model who connects with her young viewers in the same manner that children relate to a young teacher. Each show concludes with Gina D writing a letter to her Grandmother to review the educational highlights of the day's events at the clubhouse. The major premise of Gina D's Kids Club is establishing and reinforcing positive values and behaviors through original songs and character performances that viewing children will choose to adopt and imitate. This program airs on WLTX channel 19.3.
