Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	THE MAGIC SCHOOL BUS is based on series of children's books about science written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip to answer questions or learn many new things about the place the class visits. Each episode is a fact filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges her students to "make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 4 to 9 and in addition to all the factual content, the children also have a socio-emotional problem to solve that is embedded into the story line.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	WILLA'S WILD LIFE is a new animated series centered on a six-year-old girl, and her menagerie of animals. Willa lives at home with her father and pets -- an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the "cool" group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	PEARLIE is an animated comedy series based on the children's book series Pearlle the Park Fairy by Wendy Harmer. Pearlle is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlle focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlle was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlle's nemesis and cousin Saphira, often takes advantage of Pearlle's good nature which requires that Pearlle must also frequently outwit the park bully. In each episode, we see Pearlle approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not todo in each situation so the park can be restored to order.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Set in medieval times, JANE AND THE DRAGON is an animated show based on Martin Baynton's best-selling book about a middle-class medieval girl named Jane. Jane is raised in the Royal Court as a Knight-in-Training after she demonstrates her courage by leaving the castle to conquer the local dragon. The giant green Dragon, whose sense of humor exceeds his ferocity, instead becomes Jane's best friend and a part of the castle community. In each episode, Jane encounters a challenge that tests her problem-solving skills and requires her to demonstrate her strength of character as a Knight of the King's Guard. Sometimes Jane learns a moral lesson, and other times she uses her analytical ability to illustrate how a problem can be made less complicated and easily solved.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Based on the book series by Deborah Manchester, THE ZULA PATROL teaches science and astronomy facts to a target audience of children 6-10 years of age. The Zula Patrol is a group of six animated aliens, headed by Captain Bula, who carry out a variety of scientific space missions. During their missions, Captain Bula and his crew often encounter their foe, Dark Truder, and his minion, Traxie, who are trying to take over the universe. Over the course of the story, the audience learns different facts about specific space topics such as stars, planets, orbits, moons, asteroids, comets, gravity, and space probes. The information is then highlighted during a segment where crew member Professor Multo delivers his "Multo-Moments" or summary of scientific facts from the story. Typically, the stories also provide a social-emotional tag based on tolerance and non-violent conflict resolution.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	WILLA'S WILD LIFE is a new animated series centered on a six-year-old girl, and her menagerie of animals. Willa lives at home with her father and pets -- an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the "cool" group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	PEARLIE is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, we see Pearlie approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not todo in each situation so the park can be restored to order.
