| Digital Core              | Question   |  | Response                        |
| Programming               | State the average number of hours of Core Programming per week broadcast by the station on its main program stream   |  | ain program                     |
|                           | State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream   |  |                                 |
|                           | •  | State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671: |                                 |
|                           | Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673? |  |                                 |

Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?

| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | Exploration preserves your instinct to explore. Exploration with Jarod Miller, is an engaging, energetic journey around the natural world as seen through the eyes of zoologist Jarod Miller and the animals he loves. Exploration with Jarod Miller brings people to the animals they might not otherwise experience and sometimes brings the animals to the people in amusing and unexpected ways. And Jarod is uniquely qualified to bridge this gap, being a passionate, unabashed animal lover who at the age of 25 became the youngest ever Executive Director of an accredited zoo, the Binghamton Zoo in upstate New York. This program meets the definition of "core programming" because: 1) It serves the educational and informational needs of children ages 16 and under. 2) It airs at 9am. 3)It is regularly scheduled on Saturday. 4) It is 30:00 minutes in length. 5) the educational/informational objective and target child audience for this program are specified on air and to program guide publishers. Broadcast on channel 20 analog |

The team of animals who run it are the best of friends - Comet, Halley, Sputnik, Radar and Jet - all under the watchful eye of Sal the Octopus. But when you stick five friends with very different personalities in one place - things are bound to get messy. Through it all, the "Astroblast!" crew accept their differences, help one another, make new friends, and discover that getting along is always out of this world. Every day brings a new adventure - big and small - whether it involves getting ready for a surprise birthday party for a Gremulon princess, dealing with demanding dairy-obsessed customers from the Milky Way, making peace between two spaceships of hungry space pirates, or helping a scary-looking, but shy, visitor make friends when no one will sit with him at lunch. "Astroblast!" is a Sprout original series that is co-produced with Scholastic Media, a division of Scholastic Inc, the global children's publishing, education and media company. Astroblast! is inspired by the books of the same name by award-winning author and illustrator Bob Kolar. Broadcast on channel 20 analog.
