Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Due to the end of analog on 6/12/09, KCPQ no longer has analog broadcasts, and therefore, the answer to 7(b) is "no." We were not informed that the (non-core) Hispanic College Quiz Show was E/I. Therefore, that aspect of the show went unadvertised, even though the description went forward, and the E/I symbol was displayed throughout the broadcast.
