Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Sports Stars of Tomorrow is a nationally-syndicated sports show, hosted by Pat Summerall. It takes its viewers across the country in search of the brightest young stars in sports. It features in-depth stories about the top prep athletes in the United States and its goal is to get an "off the field" look at the athletes, so they are frequently shown doing things like playing golf, strumming guitars, and studying. This "magazine" series showcases up and coming young athletes whose talent and hard work are making them winners.
