Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C. F.R. Section 73.671, NOTES 2 and 3.	On Saturday, February 13, Univision Network preempted all E/I core programs for the breaking news coverage of Pope Francis' historic trip to Mexico. Out of an abundance of caution, the Network aired Pocoyo at 12:00 PM and Sesame Amigos at 12:30 PM and additional episodes of Sesame Amigos and Handy Manny on March 26 and March 27, and these airings are listed as non-core offerings in this 1st Quarter report.
