Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	6.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Digital Core  
Programs(11)

Digital Core Program (1 of 11)	Response
Program Title	Plaza Sesamo
Origination	Network
Days/Times Program Regularly Scheduled	SA, 07:00 AM & 07:30 AM
Total times aired at regularly scheduled time	26
Total times aired	26
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	2 years to 7 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	A significant purpose and key educational objective of Plaza Sesamo is to teach young children the importance of different cultures and traditions. Children will easily identify with the main characters: Abelardo, Contreras, and Lola. These animated personalities will help children develop a better understanding of the world around them through their stories. Throughout the shows, these characters not only reinforce and expose the Spanish language to native and non-native Spanish speakers, but also teach children valuable lessons that include problem solving, gender equity, symbolic representation, and social interaction. The Network preempted this children's program to broadcast the 2013 Formula One World Championship. This motor racing championship is recognized by the sport's governing body, the Federation Internationale de l'Automobile (FIA), as the highest class of competition for open-wheel racing cars.
Does the Licensee identify the program by displaying throughout the program the symbol E /I?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company provides CORE programming in the area of the environment and preservation of the earth's resources. Eco Company explores all aspects of being "green" and Understanding how our actions impact the world. The E-Co team find out about climate change by asking questions to discover the truths and myths of the climate change issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas, and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally Eco Company regularly provides practical tips that teens, and people of all ages can use in their daily lives.
