Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Calimero is an animated series about a black chick born to a family of yellow chickens. The cartoon, based on the classic Italian character created in the 60's features Calimero hanging out with his "special" friend Priscilla, and his friends Piero and Valeriano. together they go to school, learn new things, and have adventures together in the town of Bellagio. The close friends readily express their loyalty to each other even if they have different personalities. Meanwhile, issues like bullying, problem solving, and even sexism are dealt with in Calimero in ways that are easy to understand for small children. This contemporary installment of the retro classic, which has aired all over the world in various languages, sends the message that being different isn't a bad thing.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Human Nature is a unique program of social and emotional learning that will build character and decision-making capabilities and lead to have a well balance life in a prosperous society. Animals have qualities that some humans should follow as examples, for instance; generosity, solidarity, perseverance, confidence, humility, tolerance, patience, integrity and self-control. This show was created to help recover and reinforce human values. Each animal guest will share their story and qualities, the cow will share about practicing generosity when she feeds everyone and the butterflies will teach us about accepting our differences. The program includes games and trivia. Viewers will receive a practical vision of good behavior at school, home and in the community and help them be better humans every day.
