Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Marsha and the Bear is an animated series about the adventures of a three year old named Marsha and her retired circus star friend the Bear. The relationship between Marsha and the Bear is a metaphor of how a girl interacts with the world and how an adult can help with this difficult task. Precocious, silly, curious, creative and friendly with everyone she meets, this energetic girl can't seem to keep herself out of trouble. Bear, is a warm fatherly figure that does his best to keep Marsha from harm, often ending up the unintended victim of her misadventures. Through these amusing adventures children will develop cognitive and social emotional skills. Marsha and the Bear teaches children how to observe situations and to apply problem solving skills such as when a celebration does not go as planned, you make the best of it even when you encounter obstacles and working together as a team has better results. Young viewers will also learn right from wrong and the consequences of lying. Marsha will be exposed to different situations some more complex than others, but there is always a lesson to be learned.

Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Re Inventors is a weekly half hour science television series that meets the educational and informational objectives of the FCC's Children's Programming requirements for children 13 to 16. Teenage viewers follow hosts Matt Hunger and Jeremy MacPherson as they dig up original patent designs from history's lost inventions and build them, test them, and try to make them work. From a snow annihilator from the 1930's to a Chinese dragon rocket over 600 years old to a solar powered crematorium, Matt and Jeremy take viewers through the strange and entertaining world of invention. Each episode introduced young viewers to a variety of scientific disciplines and challenges them in critical thinking and problem solving skills, while providing valuable information to reach answers. Each episode is engaging, entertaining and educational. The Re Inventors is closed caption for the hearing impaired and displays the E/I icon throughout the broadcast.
