Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	12.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	504.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	12.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Raggs is a musical & educational preschool series starring five colorful canines. They are not your average dogs - they're also talented musicians who make great rock 'n' roll music as The Raggs Band. With over 200 original songs, the power of the music & humor stimulate children to become actively involved in learning. Raggs introduces children to elements that span the preschool curriculum, working to nurture their sense of self & others, and to foster a strong motivation to learn and achieve. Each episode follows the band through engaging, emotional and humorous stories that rock the house and explore issues faced by real kids. The character's chemistry and friendship is immediately evident as they work through a series of creative and often humorous steps to find a successful conclusion to everyday challenges. Each show also focuses on the development of social and emotional skills, and models cooperation between friends.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	A significant purpose and key educational objective of this half-hour program is to teach young children the importance of different cultures and traditions. Children will easily identify with the main characters: Abelardo, Contreras, and Lola. These animated personalities will help children develop a better understanding of the world around them through their stories. Throughout the shows, these characters not only reinforce and expose the Spanish language to native and non-native Spanish speakers, but also teach children valuable lessons that include problem solving, gender equity, symbolic representation, and social interaction.
