Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	5.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	840.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	15.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Origination	Syndicated

Days/Times Program Regularly Scheduled	Wednesday 8:00a
Total times aired at regularly scheduled time	13
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	DOG AND CAT TRAINING WITH JOEL SILVERMAN provides CORE programming in the areas of particular concerns to young teens including doing a job well by learning how to train an animal and watching the results intended (also gives a sense of accomplishment). The art of training an animal provides a new skill that can result in more confidence for the younger teens. The Instructions create understanding of the method that leads to a favorable ending. Following directions allows the teen to achieve the desired results. Acquiring patience with an animal teaches discipline and hard work. Spending time with an animal forms a bond of caring and empathy. Learning something new gives the teen another reason to talk with others which, in turn, creates social connections. Also, education is a way for a teen to increase confidence in his/her ability to learn.

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company provides CORE programming in the area of the environment and preservation of the earth's resources. Eco Company explores all aspects of being "green" and understanding how our actions impact the world. The E-Co team find out about climate change by asking questions to discover the truths and myths of the climate change issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas, and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally Eco Company regularly provides practical tips that teens, and people of all ages can use in their daily lives

Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	2 years to 6 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Gina D's Kids Club is a family-friendly educational television program and DVD video series for preschoolers ages 2-6. Specifically themed shows address the learning needs and potential of young children as they entertain, amuse and delight viewers of all ages through a combination of live action and dynamic 3-D animation. The show is hosted by a positive adult female role model who connects with her young viewers in a gentle, caring way in the same familiarity that children associate with their mothers. The major premise of Gina D's Kids Club is establishing and reinforcing positive values and behaviors through original songs and character performances that children will choose to adopt and imitate. Scripts are designed to promote actions that support interpersonal skills such as helping others, negotiation, cooperation, sharing and tolerance with an ending (Gina D's letter to grandma) that reinforces those educational objectives. Content is lively and fun, produced with state of the art computer animation and original positive songs and characters such as Simon Wannabe, Mister Pockets, Miss Muffin, Pierre D. Artist, TV Ted and Doggy Brown.

Program Title	Eco Company (24.1)
Origination	Syndicated
Days/Times Program Regularly Scheduled	Thursday 8:00a
Total times aired at regularly scheduled time	13

Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company provides CORE programming in the area of the environment and preservation of the earth's resources. Eco Company explores all aspects of being "green" and understanding how our actions impact the world. The E-Co team find out about climate change by asking questions to discover the truths and myths of the climate change issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas, and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally Eco Company regularly provides practical tips that teens, and people of all ages can use in their daily lives

Program Title	Gina D's Kids Club
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturday 8:00a
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	2 years to 6 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Gina D's Kids Club is a family-friendly educational television program and DVD video series for preschoolers ages 2-6. Specifically themed shows address the learning needs and potential of young children as they entertain, amuse and delight viewers of all ages through a combination of live action and dynamic 3-D animation. The show is hosted by a positive adult female role model who connects with her young viewers in a gentle, caring way in the same familiarity that children associate with their mothers. The major premise of Gina D's Kids Club is establishing and reinforcing positive values and behaviors through original songs and character performances that children will choose to adopt and imitate. Scripts are designed to promote actions that support interpersonal skills such as helping others, negotiation, cooperation, sharing and tolerance with an ending (Gina D's letter to grandma) that reinforces those educational objectives. Content is lively and fun, produced with state of the art computer animation and original positive songs and characters such as Simon Wannabe, Mister Pockets, Miss Muffin, Pierre D. Artist, TV Ted and Doggy Brown.
