Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	10.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	840.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	16.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Faithville Gospelcast Productions is a non-profit charitable organization in the United States and Canada. Their office and studio facilities are located in Ontario. They produce family television and radio programming for children that entertains and educates. The goal is to assist parents, grandparents and educators in the development of children. The programs are designed to help the family instill good morals values, respect for one another and one's individual importance. The curriculum and programs always teach the golden rule 'treat others as you would want them to treat you.'
