Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	5.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	504.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	12.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Program Title	Zoo Diaries	
Origination	Syndicated	
Days/Times Program Regularly Scheduled	Sat: 8-8:30am and Sun: 8-8:30am	
Total times aired at regularly scheduled time	26	
Total times aired		
Number of Preemptions	0	
Number of Preemptions for other than Breaking News		

Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	7 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Zoo Diaries documents the live of animals and people at a zoo with a record of breeding endangered species.Each episode opens with a brief description of the show's contents. Events in the life of three or four animals are shown, cutting between stories every couple of minutes. Each story focuses on an animal in an interesting situation, and the zoo person responsible for handling the situation. Some situations are resolved over a number of episodes, for example, developing and performing an animal show designed to startle the audience. Topics vary from birth to death. The series is candid about the zoo employees' behavior and opinions.

Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	WHAT COLOR IS YOUR DOG? is an educational/informational series especially geared to ages 13 - 16. In this entertaining weekly half hour program, Joel Silverman, the well-known Hollywood animal trainer and author, demonstrates how to train dogs and cats with the help of his furry friends either in-home or on location. The visual instructions are an easy way to learn the art of training our four-legged family companions for this age group. Also, each week other animal trainers will talk about their experiences with dogs and cats - especially the specific training needed for a film, television program or commercial.
