Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	THE ZULA PATROL is an animated show about six extraterrestrial characters-Captain Bula, his copilot Zeeter, Professor Multo, their pet, Gorgo, and their flying dictionaries, Wizzy and Wigg-who learn key science concepts as they explore the galaxy through space missions. Often, the group encounters the evil Dark Truder and his talking toupee minion, Traxie, and must thwart Truder's poorly planned schemes to take over the universe. Each character exhibits unique abilities and traits that, combined with their new knowledge, help them problem-solve their way through their journeys. Using an integrated approach to target diverse learning styles, the show communicates its educational messages through narratives and a two-part information segment at the end of each story.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Shelldon is an animated series about a school-aged yoka shell mollusk named Shelldon. He lives with his adoptive family, the Clams, in Shell Land, an undersea community populated by all sorts of sea species. Shelldon and his best friends, Connie (a cowry shell mollusk) and Herman (a hermit crab) face a specific challenge in every episode. The problem may be managing a bully, improving their grades, learning how to be altruistic, or protecting their environment from natural and man-made disasters. In all cases, they rely on Dr. Shell, the most venerated intellectual and elder in Shell Land who teaches them and gives them opportunities to harness their potential and solve the problem. Each episode provides a direct social-emotional lesson and many episodes provide informational content relating to the sea life habitat of Shell Land and enironmental conservation.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Willa's Wild Life is a new animated series centered on a six year old girl, and her menagerie of animals. Willa lives at home with her father and pets, an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence, and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the cool group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	PEARLIE recounts the weekly escapades of an optimistic, amiable fairy who has been appointed by Fairy HQ to maintain order in Jubilee Park. She lives among a dozen assorted characters, including her fairy best friends, Opal and Jasper, a garden elf, a wood nymph, possum, bats, other fairies, rats, a small colony of fleas, a lizard and her arch-rival, Saphira, who is also her fairy cousin. While Pearlie is very likable, she is a bit of a busy body who likes to arrange things according to over-ambitious plans that ultimately get her in trouble. She gets along with everyone so, ultimately, every problem is solved and Pearlie learns a lesson. However, her greatest challenges are usually presented by her one enemy, the bully and diva Saphira. Fortunately, Pearlie rises to Saphira's challenges, not with meanness, but by outwitting her. Overall, learning is a constant process for Pearlie because she has big responsibilities, taking care of an entire little community, but she is indomitable and tenacious and ends up preserving order and happiness in Jubilee Park.

Days/Times Program Regularly Scheduled	Sat's 8am
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Noodle and Doodle is an instructional series that features creating art projects and cooking projects around a specific theme. The show is hosted by Sean, who drives around in a double-decker bus fully equipped with art supplies and a kitchen, all ready for any assignment. The projects encourage parent engagement and often feature families working together to make something for display in the chilen's home. Sean is accompanied by Doggity, an every-faithful Beagle dog, who transforms into an animated character during interstitial trips to a parallel universe and kitchen full of prank playing animated characters. The art projects typically feature lessons on recycling materials for re-use in making art and always demonstrate that creativity can transform something intended for one purpose into something useful to achieve a completely different goal.

Length of Program	30 mins
Age of Target Child Audience from	2 years to 5 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Pajanimals are a group of four preschool aged puppets who live together in house with their off screen mother and father. We meet them in the bedroom, a dormitory of sorts, where they show us their nighttime routine of brushing their teeth and having quiet conversation before falling off to sleep. The quiet time, always turns into a discussion that results in a dream like adventure to solve a problem, such as overcoming shyness, making a new friend, or dealing with a bully. The adventure takes place in several nighttime dream locales where special friends help them work through the socio-emotional problem of the day. Specific approaches to managing the problem are demonstrated and practiced during the adventure, and the children return home confident, getting ample rest for today and facing their issues tomorrow.
