Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Noodle and Doodle is a live-action series featuring arts, crafts and cooking for preschoolers and their families. "Noodle and Doodle" features arts, crafts and healthy recipes inspired by real preschoolers' experiences. With his new friends, Noodle, a loveable puppet who likes to help in the kitchen, and Doodle, a virtual, electronic friend, Sean leads real preschoolers and viewers at home to make all kinds of kid-friendly creations. Viewers will discover healthy recipes and clever crafts that families can create together using materials from around the home. All of the cooking and crafting takes place inside a whimsical double-decker bus where Sean and his helpers demonstrate step-by-step "how to" creations in an engaging, simple way that families can recreate at home. Also along for the ride is Sean's dog Doggity, an adorable beagle with the special ability to take viewers into his imaginary, animated world where culinary canines use teamwork to solve problems and cook up treats in their own kitchen during a segment on Noodle and Doodle called Doggity's.
