Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Willas is an animated series centered on a six-year-old girl, and her menagerie of animals. Willa lives at home with her father and pets an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the cool group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	SHELLDON is an animated series that takes place in Shell Land, a mythical undersea world populated by characters from a wide array of water-dwelling species. The main character, Shelldon, is an orphaned yoka shell mollusk adopted by the Clam family and living with them in the family-owned Charming Clam Inn. Dr. Shell, an elder and venerated inventor, and Connie, a cowry shell classmate of Shelldons also live at the inn. Shelldon and his buddies Herman (a Hermit crab) and Connie always work together and solve problems that they face in school or in the community. A recurring problem is to staunch the plans of the local millionaire, Cecil Cracken, whose greed puts making money over protecting the environment. Dr. Shell is typically the childrens key provider of knowledge and other resources. In each episode, the children learn a significant social-emotional lesson and also share information relating to their ocean habitat and environmental protection.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, we see Pearlie approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Based on the book series by Deborah Manchester, The Zula Patrol teaches science and astronomy facts to a target audience of 4-8 year old children. The Zula Patrol is a group of six animated aliens, headed by Captain Bula, who carry out a variety of scientific space missions. During their missions, Captain Bula and his crew often encounter their foe, Dark Truder, and his minion, Traxie, who are trying to take over the universe. Over the course of the story, the audience learns different facts about a specific space topic, such as stars, planets, orbits, moons, asteroids, comets, gravity, and space probes. The information is then highlighted during a segment where crew member Professor Multo delivers his Multo-Moments or summary of scientific facts from the story. Typically the stories also provide a social-emotional tag based on tolerance and non-violent conflict-resolution.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Set in medieval times, Jane and the Dragon is an animated show based on Martin Bayntons best-selling book about a middleclass medieval girl named Jane. Jane is raised in the Royal Court as a Knight in Training after she demonstrates her courage by leaving the castle to conquer the local dragon. The giant green Dragon, whose sense of humor exceeds his ferocity, instead becomes Janes best friend and a part of the castle community. In each episode, Jane encounters a challenge that tests her problem-solving skills and requires her to demonstrate her strength of character as a Knight of the Kings Guard. Sometimes Jane learns a moral lesson, and other times she uses her analytical ability to illustrate how a problem can be made less complicated and easily solved.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Justin Time, is an animated show specifically directed to the preschool audience and always conveys an embedded lesson that it is possible to understand and mater any problem you have by thinking about it creatively. Justin is a little boy who has two imaginary playmate, Olivia and Squidgy the sponge (who also lives in Justin's bedroom). When Justin has a problem or doesn't want to do something his mother has suggested, he daydreams his way into an adventure that takes him to places all around the world. This is where he meets Olivia who guides him through an experience that demonstrates to Justin how he can solve his problem. The show provides many facts about the context the characters visit while on the adventure, but the central point is to teach a lesson about a socio-emotional dilemma universally experienced by preschool children.

Set in a fantasy world known as Lazy Town, which is populated by inactive residents, we see a visitor named Stephanie determined to coax her friends and relatives to begin healthful, active living. She wins over her new friends, Ziggy, Stingy, Trixie and Pixel, to leave their gaming consoles and candy stashes at home so they can go outside and play. She gets her Uncle, the Mayor and his friend Ms. Busy Body to support her efforts. But all of them are constantly foiled by Robbie Rotten, who lives underground and is determined to send Lazy Town back to inactivity and quiet. Coming to the rescue is the athlete Sportacus who lives in a spaceship and receives signals from the kids or the Mayor whenever they need help. Sportacus has two goals, to keep the peace and to promote healthful, positive living. When Robbie Rotten is discovered and contained through comic pratfalls, he goes back to his underground lair and all is well in Lazy Town, until another day and another time when Robbie will rise again.

Poppy Cat is based on the Poppy Cat's Adventures book series authored and illustrated by Lara Jones. A narrator, also named Lara, reads a story to her cat in each episode. This story stars her Poppy Cat, who envisions and takes his friends on imaginary adventures. The friends are Zuzu, a Dalmation who zips around on a skateboard; Alma, a southern belle bunny who is ultra feminine and sweetly dramatic, Mo, a little mouse who tries his best to do as much as everyone else despite his size; Owl, the wise one who is prone to neck rolls and commentary when things irritate him or don't make sense. The grouchy Egbert, a badger who is both a snob and a bully refuses to play with the group and invariably attempts to sabotage their adventures. Occasionally Hilda, a forgetful and ditzzy pigeon who flies into their adventures, appears to say hello or provide misguided directions to the friends. Once their mission is accomplished, the friends return to their little village and resume their cheerful, active lives. With the end of her story Lara closes her book and says good bye to Poppy Cat, who is usually ready for his nap

Program Title	Noodle Doodle
Origination	Network
Days/Times Program Regularly Scheduled	Sa 10am
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	3 years to 8 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Noodle and Doodle is a live action show hosted by Sean Roach that also blends animation and puppetry into the overall format. Sean drives a double decker bus into various communities to meet children who have written to him with a problem that they would like to solve using art and or a food experience. Sean is accompanied by Noodle, a puppet character and Doodle a digital character that lives inside a tablet computer and Doggity a faithful beagle. Doggity has a mini show of his own through an animated alter ego that appears during diversionary segments in a restaurant kitchen operated by Doggity and other canines. The show demonstrates how recycled materials can become art and how food art and problem solving can be combined to create a fun experience in everyday living. Every episode can be replicated at home with ease by parents and children playing together.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Wiggles is an Australian children's variety show that exhorts pre-school children to move and sing along with their many song and dance routines. A musical ensemble led by Tony, Murray, Greg and Jeff, runs through a variety of skits that are specifically designed for the preschool audience. A large ensemble of supporting dancers and characters, help them move the show along with scene changes, travel to distant locations and visits by guest artists. These include Wags, the dog, Dorothy the Dinosaur, Captain Feathersword the Pirate, and the Wiggles who dance and interact with the Wiggles hosts. While the majority of the sketches are instructional in nature, the context and sprit of the show is to entertain and demonstrate that learning is the way to have the "very most" fun.
