Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program has two main goals: one to encourage children to value, respect and better understand a variety of cultures, perspectives, traditions, languages and experiences; and second to support children in building their understanding of the English language, especially vocabulary. The show features 10 year old twins Maya and Miguel, their loving family, their pet parrot Paco, friends and their widely diverse neighborhood. Every episode turns and twists into an adventure for the twins especially when Maya's usual well-intended deeds turn into big messes, fortunately they always manage to fix. Maya & Miguel are both bilingual, they promote a positive attitude toward knowing and learning more than one language. This show presents a positive, culturally rich portrayal of a Latino family. On December 1st this program was interrupted for breaking news concerning the Mexican-President inauguration.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Gina D's Kids Club is a family-friendly educational television program and DVD video series for preschoolers ages 2-6. Specifically themed shows address the learning needs and potential of young children, as they entertain, amuse and delight viewers of all ages through a combination of live action and dynamic 3-D animation. The show is hosted by a positive adult female role model, who connects with her young viewers in a gentle caring way in the same familiarity that children associate with their mothers. The major premise of Gina D's Kids Club is establishing and reinforcing positive values and behaviors through original songs and character performances that children will choose to adopt and imitate. Scripts are designed to promote actions that support interpersonal skills such as helping others, negotiation, cooperation, sharing and tolerance with an ending (Gina D's letter to grandma) that reinforces those educational objectives. Content is lively and fun, produced with state of the art computer animation and original, positive songs and characters such as Simon Wannabe, Mister Pockets, Miss Muffin, Pierre D Artist, TV Ted and Doggy Brown. The series will continue TFN - broadcasting 1 individual episodes each Saturday. Total episodes available for broadcast = 30. Therefore, episodes begin recurring after 30 weeks.
