| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Multicast. Children Talk is a weekly half-hour series where children talk about what they know and learn about what they don't. Featuring nationally known ventriloquist Taylor Mason, each weekly episode of Children Talk provides young viewers with an educational experience by visiting a variety of locations with historical or scientific significance. Visits are combined with practical demonstrations and useful information for building important life skills. Series includes an interview segment where children participate in a question and answer session on what they have learned. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Multicast. Children Talk is a weekly half-hour series where children talk about what they know and learn about what they don't. Featuring nationally known ventriloquist Taylor Mason, each weekly episode of Children Talk provides young viewers with an educational experience by visiting a variety of locations with historical or scientific significance. Visits are combined with practical demonstrations and useful information for building important life skills. Series includes an interview segment where children participate in a question and answer session on what they have learned. |
