Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	3 years to 6 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Doodlebops is a live action show designed to teach life lessons to children under elementary school age, and is intended to promote social and academic readiness. The main characters are the three members of the Doodlebops musical band, their jazzy neighbor MAZZ and their driver Bus Driver Bob. Each episode explores social issues, such as the importance of persistence or the value of openness to new things. The program emphasizes an appreciation of music, and integrates the social lessons into original songs that are repeated through the episodes. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
Does the Licensee identify the program by displaying throughout the program the symbol E /I?	Yes

Digital Core Program (2 of 15)	Response

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Inspired by the beloved works of best-selling children's author Richard Scarry, Busytown Mysteries brings the popular adventures of Busytown to preschoolers with an educational, problem-solving twist. Children can follow classic characters such as Huckle, Sally and Lowly as they scour Busytown on fun-filled adventures looking for answers to life's puzzles. Each episode focuses on fostering viewers' problem solving abilities, as the characters use their skills of observation to collect facts, draw inferences from those facts, and ultimately reach conclusions. Each episode also develops vocabulary through words and concepts that are part of the episode's overall theme. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The animated series, "Sabrina," involves the adventures of a modern, early adolescent girl who is part human and part witch. Sabrina has magical powers that must be kept a secret and also under control. While Sabrina is not your typical girl, the familial, social, peer-group, and school-related issues she experiences all serve as educational and instructional life-lessons for viewers, as they reflect many of the same learning experiences and teenage challenges faced by children today. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
