Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	(Digital Channel 31.1)Animal Atlas is an entertaining and educational half-hour program that explores the world of animal wildlife, promoting a better understanding of how various animal species live and what they need to survive. With an entertaining narrative, the series combines focused examinations of certain topics such as Animal Appetites (which explores the various diets of animals along with information about how animals catch and eat their food, how diets determine their lifestyle, etc.), Animal Antics, (a hilarious look at the crazy physical antics and talents of certain species), Animal Babies (an intimate look at babies of various species, how they are born, how they are raised and the difficulties and delights of growing up), along with shows which focus solely on certain animals such as elephants, bears, and monkeys. In these shows a thorough and entertaining exploration of the specific animal takes the viewer into that animal world as we see where it lives, how it eats, how it plays, how the family unit operates, and what threatens and supports its survival. Animal Atlas also promotes responsibility toward wildlife issues by educating the viewer about endangered species and wildlife habits, as well as informing viewers how to support wildlife conservation.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	MLB Player Poll will serve the educational and informational needs of teenagers by providing insight into the opinions and perspectives of Major League Baseball players. Specifically, MLB Player Poll will educate young viewers on how the game of baseball is played and provide instructions regarding the techniques that successful players use. The show will also glean insight into players' preferences in areas outside of baseball with topics like What Career Interests You After You Retire from Baseball?, or What Is Your Favorite City To Play In? or What Player From History Would You Most Like To Watch/Play For/Play Against? In addition, MLB Player Poll will provide examples of healthy debate, expressing an opinion using supporting evidence and analyzing statistics to confirm or refute a previous held belief. The results of the poll question that will serve as the heart of each episode will be represented graphically using traditional charts and graphs in a manner designed to help teenagers process similar information they will encounter in newspapers, magazines and textbooks. Finally, the emphasis on physical education in each episode of MLB Player Poll will inspire young viewers to get off the couch, go outside and exercise.
