Digital Core
Programming

| Question | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream | 3.0 |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream | 336.0 |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671: | 9.0 |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673? | Yes |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes |

| Total times aired | 13 |
| Number of Preemptions | 0 |
| Number of Preemptions for other than Breaking News | 0 |
| Number of Preemptions Rescheduled | 0 |
| Length of Program | 30 mins |
| Age of Target Child Audience | 2 years to 5 years |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This program is an animated series about the childhood adventures of a six year girl named Nina, her family and neighborhood. The program celebrates multiculturalism and family in Nina's close-knit household, where she's cared for by her parents and her grandmother. Elements of their Latino heritage are prominent. Its multilingual approach incorporates English, some Spanish and American Sign Language. Children learn inclusiveness, as well as the value of communicating across multiple languages and appreciating other cultures. This program airs on the station's main digital channel. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This program chronicles the animated adventures of three best friends: Ruff-Ruff, an instinctive pup; Tweet a cautious bird; and Dave, an imaginative panda. During each episode the program asks questions and children engage with the program by deciding which of the characters offers the correct answer or solution. The program encourages children to learn to make their own decisions. Episode examples include answering questions about: words that describe opposite states and actions; how to plant a seed and help it grow; and, searching for the biggest number during a visit to Number Land. This program airs on the station's main digital channel. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This program is a stop-motion animated program that follows a family of mouse-like creatures who live on a small blue planet. They communicate with distinctive whistles, and a narrator comments on the events which occur in every episode. Children learn about connectedness, curiosity, inventiveness and kindness. Episode examples show the Clangers inventiveness by their composing music in a unique way, problem solving as they search for and find lost items, and, kindness as they help their friends through difficult challenges. This program airs on the station's main digital channel. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This pre-school series is about science and the process of scientific inquiry that leads to scientific knowledge. The program follows the adventures of Luna, an inquisitive six-year-old girl, who is a science enthusiast. Luna, along with little brother Jupiter and her pet ferret, Clive, views the earth as a giant laboratory. She is constantly searching to learn more about what things are, and why and how scientific actions take place. This program airs on the station's main digital channel. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This program is anchored by Sportacus, a fit and agile hero, whose "kryptonite" is sugar, which makes him instantly lethargic. Sportacus and the program's cast of child characters are challenged in each episode with an issue or dilemma, and are opposed in their attempts to complete their mission by Robbie Rotten, who seeks to return LazyTown to its former lazy ways. The program seeks to impart to preschool and early school-aged children the importance of healthy living, and to help them understand the value of developing sound eating and physical exercise habits, while also providing them positive messages about friendship, empathy, self-respect, truthfulness and other age-appropriate life lessons. This program airs on the station's main digital channel. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Dog town follows the stories of orphaned, unwanted, or problem dogs who find their way to Best Friends Animal Society. They are each rehabilitated by volunteers and employees for adoption or spend the rest of their lives in foster care at the Dogtown facility. Viewers learn the proper treatment of animals, volunteerism and social responsibility. Episode examples include rescuing dogs from a puppy mill, and the staff launching a new program to turn shelter dogs into search and rescue dogs. This program airs on the secondary digital channel 17.2. |
