Digital Core  
Programming

| Question                                                                                                                                                                                                                                                                                                                                                                                                                  | Response |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream                                                                                                                                                                                                                                                                                                        | 3.0      |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream                                                                                                                                                                                                                                                                  | 336.0    |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:                                                                                                                                                                                                                                                              | 3.0      |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?                                                                                                                                                                                                  | Yes      |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes      |

| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | Wildlife expert and animal ambassador, Jack Hanna, brings the viewer face-to face with the best of the beasts. In this weekly half-hour series that will engage viewers 13-16, as well as the whole family, Jack highlights his favorite animals and adventures from around the world. Presented in countdown style, Jack offers up a different 'top ten' each week in a variety of categories. What are the top ten 'fastest animals in Africa,' 'tallest insects,' 'biggest eaters,' 'smartest birds'... Jack will answer all of these questions and more. As Jack reveals the categories, he gives further insights and interesting facts about the animals allowing viewers of all ages the opportunity to be entertained as well as learn more about the fascinating animal kingdom in Jack Hanna's Wild Countdown. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The half-hour weekly series, Ocean Mysteries, offers a fresh approach to the quest for aquatic understanding by blending stories of fascinating sea creatures, comparisons to popular land animals, and analogies to human experience. Hosted by Jeff Corwin, Ocean Mysteries is produced for ages 13-16 - and beyond -by showing how animals share the same behaviors, challenges and triumphs that humans do. From exciting rescues of abandoned animals to unexpected conflicts in the 'family dynamics' of the mingling species, viewers will get to know - and care- about these heroes, and all of the fascinating life teeming in our oceans. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The half hour weekly series, Sea Rescue, features the rescue, rehabilitation and - in many instances release back into the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there's a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue will leave its audience inspired by the real life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Noodle and Doodle is a live-action series featuring arts, crafts and cooking for preschoolers and their families. "Noodle and Doodle" features arts, crafts and healthy recipes inspired by real preschoolers' experiences. With his new friends, Noodle, a loveable puppet who likes to help in the kitchen, and Doodle, a virtual, electronic friend, Sean leads real preschoolers and viewers at home to make all kinds of kid-friendly creations. Viewers will discover healthy recipes and clever crafts that families can create together using materials from around the home. All of the cooking and crafting takes place inside a whimsical double-decker bus where Sean and his helpers demonstrate step-by-step "how to" creations in an engaging, simple way that families can recreate at home. Also along for the ride is Sean's dog Doggity, an adorable beagle with the special ability to take viewers into his imaginary, animated world where culinary canines use teamwork to solve problems and cook up treats in their own kitchen during a segment on Noodle and Doodle called Doggity's. | Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | Noodle and Doodle is a live-action series featuring arts, crafts and cooking for preschoolers and their families. "Noodle and Doodle" features arts, crafts and healthy recipes inspired by real preschoolers' experiences. With his new friends, Noodle, a loveable puppet who likes to help in the kitchen, and Doodle, a virtual, electronic friend, Sean leads real preschoolers and viewers at home to make all kinds of kid-friendly creations. Viewers will discover healthy recipes and clever crafts that families can create together using materials from around the home. All of the cooking and crafting takes place inside a whimsical double-decker bus where Sean and his helpers demonstrate step-by-step "how to" creations in an engaging, simple way that families can recreate at home. Also along for the ride is Sean's dog Doggity, an adorable beagle with the special ability to take viewers into his imaginary, animated world where culinary canines use teamwork to solve problems and cook up treats in their own kitchen during a segment on Noodle and Doodle called Doggity's. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Animal Tails is an educational, studio-based variety show for children 13-16 years of age. This half-hour weekly series highlights various features of the animal kingdom, from household pets to exotic wildlife. Animal lovers of all ages learn about the different creatures of our planet on this informative yet entertaining program. Hosted by comedian Mark Curry, Animal Tails explores and investigates animals of all sizes from all sorts of locations. From uncovering the unique ways different animals communicate with each other to discovering how police teams train their canine partners, Animal Tails provides a unique and educational experience for children and their parents. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Go For It! is a half hour weekly television program produced to educate and inform children 13-16 years of age. Each episode contains teams of children competing in a variety of educational and athletic activities, including trivia and athletic competitions. Trivia competitions require children to use their math, science, history, and geography skills to defeat the opposing team and win prizes. Athletic competitions encourage children to stay physically fit and healthy. Sports Celebrities offer facts and advice on subjects such as nutrition, training, and motivation. With each weekly half hour episode, Go For It! brings relevant life-messages to kids in a fast paced format designed to encourage learning, participation, and competition. Sub Channel Digital |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Exploration with Richard Wiese inspires the true explorer in each of us. Join Explorer Richard Wiese in this half-hour thrill ride for children aged 13-16 that ignites the senses in extreme expeditions captured throughout the world. By using amazing technology, secret wonders of the world and beyond will be revealed while we preserve our instinct to explore. In each episode, cameras follow Richard to the nearest and farthest corners of the world as he explores the land, the air, and the sea with intrepid curiosity. As an experienced science journalist and former president of the world renowned Explorer's Club, Richard Wiese has the experience and credentials to introduce viewers to places, people, and things they may have never seen before. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Danger Rangers is an animated television series for children three to eight years of age. Each episode follows the adventures of a relatable group of animal, superhero characters whose mission is to keep children safe by educating them on how to avoid or reduce their risk of being injured around fire, water, poisons, cars, and any number of other potential hazards that children could encounter in their daily lives. Danger Rangers inspires viewers to adopt proactive attitudes and behaviors related to their personal safety in order to reduce preventable accidents, the leading cause of death and permanent disability for young children. The Danger Rangers mission is to use education to empower children to "think Safe, Play Safe & be Safe." Sub Channel Digital |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Animal Tails is an educational, studio-based variety show for children 13-16 years of age. This half-hour weekly series highlights various features of the animal kingdom, from household pets to exotic wildlife. Animal lovers of all ages learn about the different creatures of our planet on this informative yet entertaining program. Hosted by comedian Mark Curry, Animal Tails explores and investigates animals of all sizes from all sorts of locations. From uncovering the unique ways different animals communicate with each other to discovering how police teams train their canine partners, Animal Tails provides a unique and educational experience for children and their parents. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Go For It! is a half hour weekly television program produced to educate and inform children 13-16 years of age. Each episode contains teams of children competing in a variety of educational and athletic activities, including trivia and athletic competitions. Trivia competitions require children to use their math, science, history, and geography skills to defeat the opposing team and win prizes. Athletic competitions encourage children to stay physically fit and healthy. Sports Celebrities offer facts and advice on subjects such as nutrition, training, and motivation. With each weekly half hour episode, Go For It! brings relevant life-messages to kids in a fast paced format designed to encourage learning, participation, and competition.<br>Sub Channel Digital |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Noodle and Doodle is a live-action series featuring arts, crafts and cooking for preschoolers and their families. "Noodle and Doodle" features arts, crafts and healthy recipes inspired by real preschoolers' experiences. With his new friends, Noodle, a loveable puppet who likes to help in the kitchen, and Doodle, a virtual, electronic friend, Sean leads real preschoolers and viewers at home to make all kinds of kid-friendly creations. Viewers will discover healthy recipes and clever crafts that families can create together using materials from around the home. All of the cooking and crafting takes place inside a whimsical double-decker bus where Sean and his helpers demonstrate step-by-step "how to" creations in an engaging, simple way that families can recreate at home. Also along for the ride is Sean's dog Doggity, an adorable beagle with the special ability to take viewers into his imaginary, animated world where culinary canines use teamwork to solve problems and cook up treats in their own kitchen during a segment on Noodle and Doodle called Doggity's. | Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F. R. Section 73.671, NOTES 2 and 3. | 1st Quarter 2015 FCC Report Community/promotional efforts in which KIFI participated and/or sponsored local programs designed to meet the educational and informational needs of children. Community Projects Student Athlete of the week on KIFI Jeff Landers selects a student every week during the school year which show athletic ability in any number of different sports and maintains a good grade point average with students across the area. The student is featured during Tuesday nights 10pm Sportscast. This program runs through the school year ending in May. Distinguished Student Award on KIFI This is awarded to kids who stand out from the rest of their peers for their hard work in obtaining good grades and their outstanding achievement in extracurricular activities. This is done every Thursday at 10pm during the regular school year ending in May. Public Appearances Jay Hildebrandt Jan-March 2016 Jan 29 Spoke to elementary students at Dora Erickson Career Day Jan 5-April 5 Taught communication classes each Tuesday and Thursday morning at Brigham Young University-Idaho to a total of 40 students Jan 27-28 Hosted station tour for BYUI Comm 360 students. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Wildlife expert and animal ambassador, Jack Hanna, brings the viewer face-to face with the best of the beasts. In this weekly half-hour series that will engage viewers 13-16, as well as the whole family, Jack highlights his favorite animals and adventures from around the world. Presented in countdown style, Jack offers up a different 'top ten' each week in a variety of categories. What are the top ten 'fastest animals in Africa,' 'tallest insects,' 'biggest eaters,' 'smartest birds'... Jack will answer all of these questions and more. As Jack reveals the categories, he gives further insights and interesting facts about the animals allowing viewers of all ages the opportunity to be entertained as well as learn more about the fascinating animal kingdom in Jack Hanna's Wild Countdown. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The half-hour weekly series, Ocean Mysteries, offers a fresh approach to the quest for aquatic understanding by blending stories of fascinating sea creatures, comparisons to popular land animals, and analogies to human experience. Hosted by Jeff Corwin, Ocean Mysteries is produced for ages 13-16 - and beyond -by showing how animals share the same behaviors, challenges and triumphs that humans do. From exciting rescues of abandoned animals to unexpected conflicts in the 'family dynamics' of the mingling species, viewers will get to know - and care- about these heroes, and all of the fascinating life teeming in our oceans. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The half hour weekly series, Sea Rescue, features the rescue, rehabilitation and - in many instances release back into the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there's a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue will leave its audience inspired by the real life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Raggs is a musical & educational preschool series starring five colorful canines. They are not your average dogs - they're also talented musicians who make great rock 'n' roll music as The Raggs Band. With over 200 original songs, the power of the music & humor stimulate children to become actively involved in learning. Raggs introduces children to elements that span the preschool curriculum, working to nurture their sense of self & others, and to foster a strong motivation to learn and achieve. | Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | Noodle and Doodle is a live-action series featuring arts, crafts and cooking for preschoolers and their families. "Noodle and Doodle" features arts, crafts and healthy recipes inspired by real preschoolers' experiences. With his new friends, Noodle, a loveable puppet who likes to help in the kitchen, and Doodle, a virtual, electronic friend, Sean leads real preschoolers and viewers at home to make all kinds of kid-friendly creations. Viewers will discover healthy recipes and clever crafts that families can create together using materials from around the home. All of the cooking and crafting takes place inside a whimsical double-decker bus where Sean and his helpers demonstrate step-by-step "how to" creations in an engaging, simple way that families can recreate at home. Also along for the ride is Sean's dog Doggity, an adorable beagle with the special ability to take viewers into his imaginary, animated world where culinary canines use teamwork to solve problems and cook up treats in their own kitchen during a segment on Noodle and Doodle called Doggity's. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Noodle and Doodle is a live-action series featuring arts, crafts and cooking for preschoolers and their families. "Noodle and Doodle" features arts, crafts and healthy recipes inspired by real preschoolers' experiences. With his new friends, Noodle, a loveable puppet who likes to help in the kitchen, and Doodle, a virtual, electronic friend, Sean leads real preschoolers and viewers at home to make all kinds of kid-friendly creations. Viewers will discover healthy recipes and clever crafts that families can create together using materials from around the home. All of the cooking and crafting takes place inside a whimsical double-decker bus where Sean and his helpers demonstrate step-by-step "how to" creations in an engaging, simple way that families can recreate at home. Also along for the ride is Sean's dog Doggity, an adorable beagle with the special ability to take viewers into his imaginary, animated world where culinary canines use teamwork to solve problems and cook up treats in their own kitchen during a segment on Noodle and Doodle called Doggity's. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Animal Tails is an educational, studio-based variety show for children 13-16 years of age. This half-hour weekly series highlights various features of the animal kingdom, from household pets to exotic wildlife. Animal lovers of all ages learn about the different creatures of our planet on this informative yet entertaining program. Hosted by comedian Mark Curry, Animal Tails explores and investigates animals of all sizes from all sorts of locations. From uncovering the unique ways different animals communicate with each other to discovering how police teams train their canine partners, Animal Tails provides a unique and educational experience for children and their parents. | Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Go For It! is a half hour weekly television program produced to educate and inform children 13-16 years of age. Each episode contains teams of children competing in a variety of educational and athletic activities, including trivia and athletic competitions. Trivia competitions require children to use their math, science, history, and geography skills to defeat the opposing team and win prizes. Athletic competitions encourage children to stay physically fit and healthy. Sports Celebrities offer facts and advice on subjects such as nutrition, training, and motivation. With each weekly half hour episode, Go For It! brings relevant life-messages to kids in a fast paced format designed to encourage learning, participation, and competition. Sub Channel Digital |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Danger Rangers is an animated television series for children three to eight years of age. Each episode follows the adventures of a relatable group of animal, superhero characters whose mission is to keep children safe by educating them on how to avoid or reduce their risk of being injured around fire, water, poisons, cars, and any number of other potential hazards that children could encounter in their daily lives. Danger Rangers inspires viewers to adopt proactive attitudes and behaviors related to their personal safety in order to reduce preventable accidents, the leading cause of death and permanent disability for young children. The Danger Rangers mission is to use education to empower children to "think Safe, Play Safe & be Safe." Sub Channel Digital |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Animal Tails is an educational, studio-based variety show for children 13-16 years of age. This half-hour weekly series highlights various features of the animal kingdom, from household pets to exotic wildlife. Animal lovers of all ages learn about the different creatures of our planet on this informative yet entertaining program. Hosted by comedian Mark Curry, Animal Tails explores and investigates animals of all sizes from all sorts of locations. From uncovering the unique ways different animals communicate with each other to discovering how police teams train their canine partners, Animal Tails provides a unique and educational experience for children and their parents. | Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | Go For It! is a half hour weekly television program produced to educate and inform children 13-16 years of age. Each episode contains teams of children competing in a variety of educational and athletic activities, including trivia and athletic competitions. Trivia competitions require children to use their math, science, history, and geography skills to defeat the opposing team and win prizes. Athletic competitions encourage children to stay physically fit and healthy. Sports Celebrities offer facts and advice on subjects such as nutrition, training, and motivation. With each weekly half hour episode, Go For It! brings relevant life-messages to kids in a fast paced format designed to encourage learning, participation, and competition.<br>Sub Channel Digital |
