Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Mary Anne Zulisky

Email Address	mzulisky@ctvn.org
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	There was an issue with this form. The preemptions that are not rescheduled could not be input correctly on the initial page of each program. By doing it correctly, a message keeps coming up that the preemption reports don't match number of preemptions. The only way I could move forward was to match the number of programs preempted with the ones rescheduled, but on the inside page I left the rescheduled date blank. Rescheduled programs go to the next regular airtime available, not to a different day and time, so they are not made up during the period. However, when I printed out the draft, the total times aired is now also incorrect showing 'Total Times Aired' as if all programs aired. The true amount of airings is the "total times aired at regularly scheduled times." I spoke with our FCC council & attorney, Joseph Chautin, III, and he advised me to file it as is and leave this message. If you need further explantion, please send an email to mzulisky@ctvn.org
