Total times aired	13
Number of Preemptions	0

Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	9 years to 14 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	DragonflyTV showcases our most eager young scientists in a way that encourages all kids to discover the wonders of science. It's a new approach in science television for kids, because it features ordinary children and their own science investigations. Whether shooting over moguls on free ride skis, getting up close and personal with alligators, or cooking up experiments in their own kitchens, the Dragonfly TV kids empower viewers to explore, question, and learn. In each episode, children tell how they pursued their own investigations, communicating the infectious excitement that comes with making their own discoveries.

Number of Preemptions		0
Number of Preemptions for other than Breaking News		0
Number of Preemptions Rescheduled		0
Length of Program		30 mins
Age of Target Child Audience		9 years to 14 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is about a group of neighborhood kids who join forces with a couple of veterinarians and an inventive professor to become a search and rescue unit, a detective agency, and a police force for animals. The team works with authorities to solve animal mysteries, puzzling cases and even international crimes involving animals of all shapes sizes and species. Each episode contains educational material and information about science, animals, and geography, while the Critter Gitters solve moral and ethical dilemmas that face children in everyday life.
