Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	LUCKY DOG Animal trainer Brandon McMillan is swooping into animal shelters across the U.S., rescuing hard-to-love, out-of control, untrained and unadoptable dogs. Then, back at Brandon's training facility known as the Lucky Dog Ranch, he goes to work on the seemingly impossible task of turning the frightened pooches into perfect pets. In the end, a lucky family will adopt an even luckier dog, making each episode an adoption story that truly warms the heart.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This series will be a weekly celebration of the inventor's spirit - from historic scientific pioneers throughout past centuries to the forward-looking visionaries of today. Each episode tells the dramatic stories behind the world's greatest inventions - and the perseverance, passion, and price required to bring them to life. Featuring the 'what if it never happened', 'the innovation by accident,' and a strong focus on 'junior geniuses' who are changing the face of technology, this TV series will appeal to young viewers and their families.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	THE INSPECTORS is a scripted dramatic series inspired by compelling real-life cases handled by the United States Postal Inspection Service. In the series, Preston Wainwright, a determined teenage boy who is thriving after being paralyzed in a car accident, works as an intern at the U.S. Postal Inspector's lab assisting his U.S. Postal Inspector mom, Amanda, in solving crimes that deal with everything from internet scams, identity and mail theft, to consumer fraud. The program strives to educate young people about making the right choices in their daily lives, encourages open communication between teens and parents and includes positive messaging regarding living with disabilities, overcoming challenges, beating the odds and the power of perseverance. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. Effective Saturday, October 3, 2015 until further notice, replaced RECIPE REHAB.

Age of Target Child Audience	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program offers teens an opportunity to view everyday people - regardless of age, sex, occupation or education - stepping forward and acting in a socially responsible and moral fashion when faced with crises and moral dilemmas. In a candid camera-type format, individuals are placed in situations that cause them to demonstrate acts of kindness and generosity, stand up for diversity, shield others from bullies, and embrace friendships. In addition, the program includes segments that focus on overcoming ones fears, as well as rewarding individuals for their unselfish kindness and community service. The program seeks to encourage young viewers to increase their sensitivity and awareness, in order to refine their own moral compass. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. Effective Saturday, October 3, 2015 until further notice, replaced ALL IN WITH LAILA ALI.

Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Program Title	DR. CHRIS PET VET
Origination	Network
Days/Times Program Regularly Scheduled	Saturday 8:30am
Total times aired at regularly scheduled time	14
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
