Describe the educational and informational objective of the program and how it meets the definition of Core Programming.		The half-hour weekly series, Sea Rescue, features the rescue, rehabilitation and - in many instances - release back into the wild of ocean wildlife. Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there's a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species.
