Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.46
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Digital Core

Digital Core Program (1 of 17)	Response
Program Title	Bay Area Quiz Kids (main stream - 4.1)
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays 1:30-2pm
Total times aired at regularly scheduled time	11
Total times aired	11
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Bay Area Quiz Kids is a game show tournament featuring local high schools from the Bay Area. Each of the matches is taped before a live audience in which teams of three contestants compete for the championship and a trip to Europe. The competition includes questions from the following categories: literature, science, math, history, geography, fine & performing arts as well as current events and sports. The goal of Quiz Kids is to provide a showcase for local high schools and for students who strive for academic excellence. This show gives kids the opportunity to display wit, poise and knowledge in a fiercely competitive, but fun environment.

Days/Times Program Regularly Scheduled	Saturdays 3:30-4:00pm
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This series explores the fascinating components of the human brain and how they shape our perceptions and everyday lives. Host Jason Silva opens each episode with an exercise for your mind which will often leave you scratching your head. These exercises will serve as a jumping-off point for a deep dive into the reality of human perception and the fascinating ways that our brain functions. The series will feature a variety of topics including visual perception, memory, skill learning, decision making, and other techniques to help people improve cognitive function.
