Each week, Sea Rescue will leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet. The program is regularly scheduled and airs between the hours of 7: 00 a.m. and 10:00 p.m. The program is 30 minutes in length, and is identified as an educational and informational show, targeted to 13 - 16-year-olds, at the beginning and through each broadcast and in listings provided to publishers of program guides. |
