Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Culture Click is a weekly half-hour series designed to meet the educational and informational needs of children that explores the genesis of - and reasons behind - cultural events that permeate our everyday lives. Developed and produced for viewers aged 13-16, host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week. These topics will serve as a jumping-off point for a deep dive into the culture viewers 13-16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society - using the power and speed of the internet and user-generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a week's worth of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when they experience Culture Click.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Culture Click is a weekly half-hour series designed to meet the educational and informational needs of children that explores the genesis of - and reasons behind - cultural events that permeate our everyday lives. Developed and produced for viewers aged 13-16, host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week. These topics will serve as a jumping-off point for a deep dive into the culture viewers 13-16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society - using the power and speed of the internet and user-generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a week's worth of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when they experience Culture Click.

This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Due to a technical error at the Bounce network, the E/I children's programs, "All In with Laila Ali" and "Everyday Health", were aired without the E/I graphic through October 15, 2016. Some episodes of the E/I program "Culture Click" aired without the E/I graphic through November 5, 2016. The network was put on notice and it remedied the issue, and WSFA has implemented additional procedures to monitor the presence of the E/I graphic. Some of the affected programming was re-aired with the E/I symbol on Sundays from 9am-12pm, November 6, 2016 - December 11, 2016. The re-aired programs are listed in the Non-Core Educational & Informational Programming Summary. NBC airs public service announcements designed specifically for children. "The More You Know" series of PSAs covers subjects such as education, diversity, health, internet safety, and the environment. "The More You Know's" comprehensive website (themoreyouknow.com) provides in-depth referral information, in connection with the on-air public service announcements. Content includes: video of all current public service announcements, a general campaign overview, and referral information by topic to partnering agencies referenced in the PSAs. The site includes a comprehensive list of the campaign's accolades, including Emmy and Peabody awards.
