Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Ninas World is a childhood adventure series, which re-imagines a childhood for the character Nina, host of the Sprout Good Night Show. Nina is a six-year-old Latina, living in San Antonio Texas. She is exposed to adults and children from many cultures that live in her immediate neighborhood and in the mixed-use housing complex, where her parents own a bakery downstairs from their apartment. Nina manages to create regular adventures with her friends, her parents, and the grown-ups too because she is curious and determined to over-reach her abilities in pursuit of her goals. Nina models resilience as there is not a day where she doesnt reflect on her encounters with good-natured common sense and an ability to rebound after her mistakes.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Noodle and Doodle is an instructional series that features creative expression through art and cooking projects around a specific theme. Host Sean drives around in a bus fully equipped with art supplies and a kitchen ready for any assignment. The projects encourage parent engagement and often feature families working together to make something to display within the home. Seans sidekick is a faithful beagle who transforms into an animated character during interstitial trips to a parallel universe set in a kitchen full of animated characters. The art projects typically promote utilizing recycled materials in order to demonstrate that creativity can transform something intended for one purpose into something that achieves a completely different goal.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	1) WVIR-TV provides 31.5 hours of news on our primary digital channel stream (Digital 1). We also provide 3.5 hours of locally originated news each week on our secondary digital stream (Digital 3), all of which helps to serve the informational needs of families. WVIR-TV also provides around-the-clock live weather updates on a secondary digital stream (Digital 2). We encourage parents to use all of these opportunities to help children keep up with current events and understand how these events shape the world in which they live. 2) WVIR-TV promotes positive reinforcement to the young viewing audience through the embrace of the NBC network campaign, The More You Know. The More You Know PSA effort features messages of developing and maintaining self-esteem, the importance of education, diversity, anti-prejudice, mentoring, being socially and environmentally responsible, the dangers of smoking, and engaging in internet safety. 3) We offer station tours to school classes, scout troops, and the like, in which we discuss how the news and weather forecasts are created and disseminated. (We average 3 tours/month.) 4) Further, about once a month, one member of our weather team visits one of the schools in our viewing area. He discusses science and meteorology with students. 5) A frequent feature of our Sunrise and Noon newscasts is called Rita's Lunch Bag. Rita Smith, a registered dietitian, demonstrates healthy food choices for families. During 2Q, we air 5 episodes of It's Academic, the world's longest-running TV quiz show, in which teams of regional high school students compete answering questions on topics like history, literature, science, math, Bible, mythology, sports, general information and current events.
