Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C. F.R. Section 73.671, NOTES 2 and 3.	On 12/17/16, WTNH preempted Jack Hanna Wild Countdown at 9a, Ocean Treks at 930a, Sea Rescue at 10a and Wildlife Docs at 1030a for extended breaking news coverage of severe winter weather in our area and the potential hazards facing our viewers. Additionally, due to a technical error by Bounce TV, the E/I series that aired on Bounce TV from September 10, 2016 to October 15, 2016 were done so without an E/I symbol appearing within the programs. As a result of an unrelated error by a third-party service provider, Culture Click also aired on 11/5/16 without an E/I symbol. In total, 12.5 hours of E/I programming did not include an E/I symbol. Bounce TV has resolved the issues causing the omission. Except for the program on November 5, all regularly scheduled Bounce TV E/I programming has included the E /I symbol as of October 22, 2016. Bounce TV also has established new processes to ensure that the issues do not recur. To address any potential concerns about compliance with FCC requirements for E/I programming, Bounce TV re-broadcast the 12.5 hours of E/I programming that originally aired without an E/I symbol in addition to its regularly scheduled E/I programming.
