Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Steal the Show provides CORE programming in the areas of music, music composition, the music recording process and musical instruments. Ariel, Zoey and Eli Engelbert of the EI program Ariel & Zoey & Eli, Too work to write and record an album with Grammy winner Jim Peterik. All aspects of the process are covered - 1) creating the melody, 2) writing the lyric, 3) creating harmonies, 4) developing instrumentals and 5) recording the song in the studio. With schools across the country cutting funding to music related programs, Steal the Show fills an important void. Students will be empowered with the knowledge and skills they will broaden and hone as they follow Ariel, Zoey and Eli on their journey with one of the most prominent songwriters of the past 20 years.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Ariel & Zoey & Eli, Too (AZE2), a musical variety show that is driven by three siblings, empowers children to accomplish their goals and their dreams. AZE2 accomplishes this through interviewing people who excel in their profession and have a positive message for kids, introducing guests who perform different genres of music, and presenting musical performances by the cast members themselves. These cast musical performances show children they can write their own music and the importance of teamwork. Music on the show is produced by Emmy Award winner David Barrett. He and Brian Brill (another Emmy winner) ensure that the music is tailored for the young audience. All songs offer a positive message about life. Every episode begins with the song "Sweet Company which sends the positive message of friendship and ends with the singing of End of Another Day which encourages the viewer to stay optimistic about tomorrow.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Aqua Kids provides a unique vehicle for young people to learn about the diversity of marine animals around the world, emphasizing the importance of preserving fragile aquatic habitats and encouraging children to take an active role in protecting the future of their community and the world. The program provides a window into the management and preservation of unique habitats and species through the eyes of kids and their hands-on collaboration with science researchers and educators. The messages delivered by Aqua Kids are given by a creative and resourceful host, Molly McKinney, whose scientific background is evident in the show. The other young hosts, whose ages range from pre-teen to late teens, are equally entertaining and informative. The young viewers identify with these young hosts and imagine themselves in the role of the scientist and as someone who could have a positive impact on the environment. The format of young student scientists presenting information on location in a variety of aquatic settings is both entertaining and informative.
