Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Never doubt the power of friendship. Unlikely Animal Friends documents heartwarming tales about special friendships an animal forms with either an animal of a different species or a human being. Some stories show that animals of different species, with nothing else in common, bond in the most unexpected ways. Or sometimes, man's best friend is not who you think it might be. Sometimes the bonds between inter species creatures, or animals and humans, are so surprisingly strong that you marvel at the depth of the connection. Of all the unlikely animal friends, this series profiles the most unique, most surprising, and most loving animal friendships. Airs on ESEE (CW).
