Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	After due review of internal station records and documentation provided to us by program suppliers, the licensee hereby, certifies that the station fully complied with the FCC's commercial limits in children's programs. as specified at 47 C.F.R. Section 73.670, with respect to all programs specifically designed for children age twelve and under. In addition to the educational or informational programs listed in the report, the station broadcast the following programs specifically designed for children ages twelve and and under that were not "educational or informational" programming: None. The multiple schedule changes on KTVK channels 3.2 and 3.3 were the result of our acquiring the Comet TV affiliation on August 1, 2017 which removed all local programming from channel 3.2. The E/I programs which had been on 3.2 were moved to 3.3 and then further time period changes on 3.3 occurred when some of those programs expired at the end of the 16/17 broadcast season in September.
