Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	LA ABEJA MAYA- Maya the Bee is an entertaining preschool series that furthers the educational and informational needs of children by promoting the social and emotional goals of independence, empathy and diversity. The series also serves the cognitive and intellectual needs of children by teaching them about biodiversity and the importance of protecting nature. The main character, Maya, is a free spirit with a curious demeanor and fondness for discovery. With her eagerness for adventure, she lives free in the meadow, because the world is just too big and too fascinating to stay in the bee hive. Through Mayas open-mindedness, children learn to foster their curiosity and to accept and respect others. On her way through the meadow, Maya and her many friends teach children valuable lessons about supporting the weak, learning from each other and appreciating different perspectives on life.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	NINAS WORLD is a childhood adventure series, which re-imagines a childhood for the character Nina, host of the Sprout Good Night Show. Nina is a six year old Latina living in San Antonio Texas. She is exposed to adults and children from many cultures that live in her immediate neighborhood and in the mixed use housing complex, where her parents own a bakery downstairs from their apartment. Nina has frequent adventures with her friends, her parents, and other grown ups in her neighborhood. She is curious and determined to over reach her abilities in pursuit of her goals. Nina models resilience as there is not a day where she doesnt reflect on her encounters with good natured common sense and an ability to rebound after her mistakes.
