Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	2.8
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	504.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	8.9
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Doreen Damico
Address	2600 East State Street Extension
City	Trenton
State	NJ
Zip	08619
Telephone Number	(609) 587-2500
Email Address	doreendamico@wphytv.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	3/25/18: Crossfire Youth Ministries Services was moved from 6:00P to 10:00A for this one day only to accommodate a one-time special program, Family Worship Center Morning. 3 /31/18: Generation of the Cross was moved from 12:00P to 10:00A for this one day only to accommodate a one-time special live program, Resurrection Campmeeting. Subsequent to the initial filing of the report, the licensee was advised by SonLife Broadcasting Network that, due to a technical error which has since been corrected, the E/I bug did not appear on screen during 1 hour of "rescheduled" E/I programming, "Generation of the Cross" on Saturday, March 31, 10:00 AM. As the error occurred on the last day of the quarter, a make-good episode was scheduled to air on Saturday, May 12, 2018 and will be included on the licensee's Q2 2018 report. This Amendment revises the average number of hours per week of Core Programming broadcast by the licensee on its main program stream during Q1 2018. Note that although the average number of hours of Core Programming dropped to 2.8 hours in Q1 2018 as a result of this change, the average over the 2-quarter period of Q4 2017 and Q1 2018 was 3.0 hours. 3/31/18: WBTS-LD NBC rebroadcasting on WMFP DT-5 pre-empted the E/I program The Champion Within on 3/31/18, 12:30 PM. There was no time to schedule a makegood of this episode as the network ceased operation on WMFP DT-5 at end of day 3/31/18. 3/31/18: The DT-3 and DT-4 subchannels ceased operation at end of day 3/31/18.
