Age of Target Child Audience		13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	[Digital 9.1] "Awesome Adventures" is an educational and informational adventure travel program that targets the 13 to 16 year old age group, but is also a highly entertaining program for a more general audience. With a host and the use of young guides from a specific locale, it is ideal for the "tween/teen" market. This program is fast paced, and provides information which encompasses many aspects of the location. It features both historical and cultural information, in addition to an action adventure. The introduction about the specific food, music, geography, history and environmental issues as well as popular recreational activities of the locale, make for a most entertaining program.

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	[Digital 9.1] "Wild about Animals" is a reality science series that is produced for children in the 13-16 age group, and is designed to educate, inform and entertain those viewers. This program fulfills its purpose by providing a high level of educational value. The structure of each show consists of four (4) different segments/stories which make for a varied, fast paced program. Through the use of dramatic, stunning footage combined with an engaging and entertaining narrative, the show creates a general tone that is particularly effective in connecting to the target audience. The level of detail in each show is also appropriate and the segments move quickly from one topic to the next. The host, Mariette Hartley who is an animal rights activist and Emmy award winning actress, creates a bond with the viewer through her pleasing delivery. Coupled with a very conversational style is the MTV shooting style. The program open is visually engaging, featuring scenes of animals in their habitats in the form of a teaser for the audience.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	[Digital 9.2] Young, enthusiastic and passionate about food, Claire Thomas is the 22 year old host who opens viewers' eyes to how everyday life can inspire culinary creations in "Food for Thought". Each weekly - half hour, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family, life, and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, or even from bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life.

Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturday 9-9:30a thru 9/1, Sunday 10:30-11a starting 9/9
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	[Digital 9.1] "Wild about Animals" is a reality science series that is produced for children in the 13-16 age group, and is designed to educate, inform and entertain those viewers. This program fulfills its purpose by providing a high level of educational value. The structure of each show consists of four (4) different segments/stories which make for a varied, fast paced program. Through the use of dramatic, stunning footage combined with an engaging and entertaining narrative, the show creates a general tone that is particularly effective in connecting to the target audience. The level of detail in each show is also appropriate and the segments move quickly from one topic to the next. The host, Mariette Hartley who is an animal rights activist and Emmy award winning actress, creates a bond with the viewer through her pleasing delivery. Coupled with a very conversational style is the MTV shooting style. The program open is visually engaging, featuring scenes of animals in their habitats in the form of a teaser for the audience.
