Broadcaster	Question	Response
Information and Transition Plan	Will the station be sharing equipment with another broadcast television station or stations (e.g., a shared antenna, co-location on a tower, use of the same transmitter room, multiple transmitters feeding a combiner, etc.)? If yes, enter the facility ID's of the other stations and click 'prefill' to download those stations' licensing information.	No
	Briefly describe transition plan	Station will install a temporary transmitter and antenna for operation on the new repack channel by the transition date with operation authorized via STA. New xmtr and antenna will be delivered after the Phase transition date and will be installed ASAP.
