| Broadcaster                              | Question   | Response  |
|--|--|---|
| Information<br>and<br>Transition<br>Plan | Will the station be sharing equipment with<br>another broadcast television station or<br>stations (e.g., a shared antenna, co-location<br>on a tower, use of the same transmitter<br>room, multiple transmitters feeding a<br>combiner, etc.)? If yes, enter the facility ID's<br>of the other stations and click 'prefill' to<br>download those stations' licensing<br>information. | Yes   |
|  | Briefly describe transition plan   | KTVU will continue to use the existing<br>master UHF Main and Upper Aux antennas<br>at Sutro Tower. New Combiners for both<br>antennas are required. Main TX will be<br>retuned. Aux transmitter replaced. Sutro<br>tower modifications are required. |

| Transmitters | Section                         | Question                                  | Response |
|--------------|---------------------------------|---|----------|
|              | Transmitter Related<br>Expenses | Do you have transmitter related expenses? | Yes      |
