Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	KPLC aired a special report on 12/1/18 from 10:40am-10:50am, partially preempting Naturally, Danny. Because of the "breaking news" nature of this special report, the station did not reschedule this episode. Due to an error in programming provided directly from the network, on October 27, 2018 at 11:30am, episode 304 of Rock the Park aired without the required E/I graphic. As a result, we did not include the October 27 run of Rock the Park episode 304 in our core E/I totals. Rock the Park episode 304 ran again in its second home on November 3 at 12:00pm with the E/I graphic, and that run is included in the core E/I programming. On 11/17/18, Bounce changed their programming on Saturdays at 10am and 10:30am from Vacation Creation with Tommy Davidson and Andrea Feczko to Game Changers for the rest of the quarter.
