Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Station went off air on September 6, 2017, due to power loss caused by Hurricane Irma, and received extensive damage during Hurricane Maria. As a result, the station has been silent since early September and has been operating under an STA to remain silent since October 3, 2017. WOST has been off of the air for the entire quarter and no programming has aired during this time. This includes childrens programming. As of July 5, 2018, the Commission granted the WOST Modification of a DTV Station Construction Permit Application so that WOST can return to the air on a new channel. Once WOST is back on the air, it will resume its childrens programming.
