| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | Rock the Park is a weekly half-hour series produced and designed to educate and inform children 13-16 years of age and taps into America's love affair with our national parks. In this awe-inspiring and entertaining series our hosts, Jack Stewart and Colton Smith, come face to face with nature and some of the most amazing places on earth. Viewers will witness the fascinating underwater world of Dry Tortugas National Park in Florida, which is home to the world's most unique coral and marine life. They'll watch as Jack and Colton raft their way through Alaska's remote Aniakchak National Monument and Preserve, spotting the region's famous brown bears. Viewers will reach new heights as Jack and Colton embark on their biggest climbing challenge yet - The Grant Teton in Wyoming's Grand Teton National Park. NOTE: The regularly scheduled episode aired on October 27th, but was preempted by ABC Network coverage of breaking news, from 11:31 am -11:45 am ET, special report of the mass shooting that occurred at the Tree of Life Synagogue. The remainder of the program aired and was not rescheduled per the Commission's exemption for breaking news. |

| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | On each Episode of Vacation Creation with Tommy Davidson & Andres Feczko, our hosts guide one deserving family on an amazing adventure as they experience a new destination together on their family vacation. As our featured family embarks on an interactive voyage filled with immersive learning opportunities, each episode brings us to diverse locations where our family - and viewers discover unique cultural events, foods, activities and traditions. From discovering the wondrous glaciers of Alaska to learning from the Moko Jumbie of the Virgin Island, viewers will witness the importance of spending time with family and friends as our featured families experience amazing adventures together, often learning more about each other and their own family history along the way. Teens will also learn the importance of resiliency during challenging times as many featured families share their stories of overcoming adversity, finding ways to bond and heal while sharing these once in a lifetime experiences. NOTE: Due to ABC Network live coverage of the Philly Union Soccer Game, on 10/21 the 2:00 pm episode did not air and was rescheduled on the same day at 1:30 pm. The regularly scheduled episode on October 28th was preempted by the live network coverage of the formula One Grand Prix. As a result, this episode was rescheduled and aired in full at 1:30 pm on the same day. And due to ABC Network live coverage of the LPGA Group Tour Championship, on 11/18, the 2:30 pm episode did not air and was rescheduled on the same day to 4:30 pm. |

| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | (airing in simulcast on our Live Well Network on D2 (HD), a single 24/7 over-the-air digital multicast platform) Young enthusiastic and passionate about food, Claire Thomas is the host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought. Each weekly half-hour, produced for ages 13-16 informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family life and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, or even bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life. |

| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core | (airing in simulcast on our Live Well Network on D2 (HD), a single 24/7 over-the-air digital multicast platform) Young enthusiastic and passionate about food, Claire Thomas is the host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought. Each weekly half-hour, produced for ages 13-16 informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family life and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, or even bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude |

(airing in simulcast on our Live Well Network on D2 (HD), a single 24/7 over-the-air digital multicast
platform) In this weekly half-hour series developed and produced to educate and inform viewers ages 1316, our hosts scan the country, finding those who 'pay it forward' to promote health and wellness. The
remarkable people that viewers meet are referred to as 'agents of change,' special individuals who are
making big changes in people's lives, one small step at a time. Everyday Health is a series that uniquely
raises awareness to help fight obesity, raise self-esteem, establish physical fitness habits and prevent
negative health choices. An inspirational program about people who confront challenges by taking control,
Everyday Health, through captivating storytelling, reports on amazing teens and other selfless Americans
who are 'paying it forward', with good will and new ideas that will inspire other teens to take action.

Every week the teen hosts explore two or three exciting professions. From doctors, lawyers and veterinarians to career counselors, drug counselors and special effects wizards, Real Life 101 takes viewers "on the job" to understand why these professionals love what they do. Through the hosts' interviews of adults in these varying professions, teen viewers learn about the different career paths available, as well as how certain education-based decisions may help shape their future. |

In each program, the cameras follow the host, Jack Hanna, as he spends time with nature's creatures across the continents. Jack talks with people that are knowledgeable about each animal and habitat, teaching as he goes. Each program is designed to reveal to children the world around them in a way that presents positive role models and pro-social values within an environmentally responsible universe. |

Each weekly half-hour, produced for ages 13-16 informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family life and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, or even bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life. |

Describe the educational and informational objective of the program and how it meets the definition of Core Programming. (airing on LAFF /D3, a single 24/7 over the air digital multicast platform) The Henry Ford's Innovation Nation, hosted by Mo Rocca, is a weekly half-hour series that features the celebration of the inventor's spirit, from historic scientific pioneers throughout past centuries to the forward looking visionaries of today. Each episode is produced to educate and inform children 13 to 16 and tells the dramatic stories behind the world's greatest inventions, and the perseverance, passion and price required to bring them to life. Featuring the what if it never happened, the innovation by accident, and a strong focus on junior geniuses who are changing the face of technology, this TV series will appeal to young viewers and their families.
