Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	504.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	10.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	OCEAN MYSTERIES WITH JEFF CORWIN - Supported by a team of Georgia Aquarium biologists, veterinarians, and other experts, Jeff Corwin travels the world to explore the Earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. Program aired on the main digital stream.

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	WILD AMERICA - The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals, and their environment. Throughout the series, emphasis is placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species, with the aid of up-close and detailed photography throughout the program. Through this understanding, it is hoped that viewers will better relate to the natural environment in North America and learn to protect North America's animal species. Program aired on the main stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	AMERICA'S HEARTLAND - Much of the food Americans eat is produced by farmers and ranchers in the country's heartland, but many children don't know how it's produced. "America's Heartland" provides information about the people and processes responsible for the availability of food and fuel across the country and around the world. The show's reporters and producers tell stories in topics that include farm families, consumer issues, animal welfare and crop sustainability. Children will learn about the production of the food and fuel they consume. Some episodes also take the show abroad to countries such as Egypt and Taiwan, to show the impact American agriculture has on the global economy. Program aired on the quaternary stream.

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Scott Denney
Address	1906 Highland Avenue
City	Cincinnati
State	OH
Zip	45219
Telephone Number	(513) 841-4648
Email Address	sadenney@deerfieldmediainc.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	WSTR strives to assist the community by airing a variety of programs in standard program lengths which provide educational and informational needs of children. We believe these programs are of value to the community. During the past quarter, WSTR aired numerous public service announcements (PSAs) targeted to the 16 and under audience, including PSAs provided by the Ad Council and Drug Free America. Our general audience programs which serve children 16 years of age and under include our local news which airs Mon-Fri 7-8am and Mon-Sun 10-10:30pm. WSTR/Star64 also airs a local community affairs program, "Cincinnati Issues" every Sunday at 6:30am. This program features local community leaders discussing a variety of topics that affect our viewers, including children 16 years of age and under.

Program Title	Ocean Mysteries
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 7:00AM-7:30AM and 7:30AM-8:00AM
Total times aired at regularly scheduled time	26
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	OCEAN MYSTERIES WITH JEFF CORWIN - Supported by a team of Georgia Aquarium biologists, veterinarians, and other experts, Jeff Corwin travels the world to explore the Earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays, pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks, he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode, the viewer is able to connect with these animals and learn how important they are to all life on the planet, as well as how sea life connects to life on the rest of the globe. This program will air on the main digital stream.

Program Title	America's Heartland
Origination	Network
Days/Times Program Regularly Scheduled	Wednesdays 8:00AM-8:30AM
Total times aired at regularly scheduled time	12
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	AMERICA'S HEARTLAND - Much of the food Americans eat is produced by farmers and ranchers in the country's heartland, but many children don't know how it's produced. "America's Heartland" provides information about the people and processes responsible for the availability of food and fuel across the country and around the world. The show's reporters and producers tell stories in topics that include farm families, consumer issues, animal welfare and crop sustainability. Children will learn about the production of the food and fuel they consume. Some episodes also take the show abroad to countries such as Egypt and Taiwan, to show the impact American agriculture has on the global economy. This program will air on the station's quaternary stream, 64.4
