Age of Target Child Audience	13 years to 16 years	
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Think Big is a kid hosted entertaining series for young people that follows the worlds most innovative kids as they create and invent new toys, games, learning tools, websites, and modes of transportation. The program features top kid inventors who face off against one another in an Invent-Off to see who can come up with the most innovative and creative invention. In each episode, two teams brainstorm, choose materials, and sketch and design their idea. Once completed, the inventions are then judged. This program allows kids to showcase their skills in creativity, science, innovation, marketing and teamwork. This program aired on the station's main digital stream.

Origination		Syndicated
Days/Times Program Regularly Scheduled		Saturday's at 8:00 AM
Total times aired at regularly scheduled time		13
Total times aired		13
Number of Preemptions		0
Number of Preemptions for other than Breaking News		0

Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program addresses areas of particular concern to young teens, including global, social, educational and wellness issues. Elizabeth and select celebrity friends travel around the world volunteering in areas of specific need. The program combines exciting, fun and diverse experiences of world exploration with life-changing volunteer opportunities. Through in-depth and thoughtful interviews, various age-appropriate global issues are introduced to the viewing audience. In addition, Elizabeth and friends personal hands-on experiences in the field inspire teens in selfless, helping behaviors, and educate them on where and how to find volunteer opportunities. This program aired on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program showcases the hard work and dedication required to be a true sports star. Chronicled are the trials and tribulations of young athletes as they strive to become top level performers in the sports arena. This program helps viewers realize that with hard work and determination, their goals in life and on the playing field are attainable. Key values such as dedication, discipline, commitment and community involvement are reinforced in each episode. The program also provides in-depth stories that reveal the important challenges and lessons that mold young athletes. Through these stories, viewers learn that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout their lives. This program aired on the station's main digital stream.

Program Title	America's Heartland
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturday at 11:00 AM
Total times aired at regularly scheduled time	13
Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	0
Number of Preemptions Rescheduled	0
Length of Program	30 mins

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Much of the food Americans eat is produced by farmers and ranchers in the country's heartland, but many children don't know how it's produced. "America's Heartland" provides information about the people and processes responsible for the availability of food and fuel across the country and around the world. The show's reporters and producers tell stories in topics that include farm families, consumer issues, animal welfare and crop sustainability. Children will learn about the production of the food and fuel they consume. Some episodes also take the show abroad to countries such as Egypt and Taiwan, to show the impact American agriculture has on the global economy. This program aired on the station's main digital stream.

Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C. F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Robert J. Quigley
Address	299 South Main Street, #150
City	Salt Lake City
State	UT
Zip	84111
Telephone Number	(801) 839-1157
Email Address	rquigley@sbgvtv.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	KUTV is committed to helping Utahns get key information and resources they need to make informed decisions leading to healthier lifestyles. KUTV holds an Ask the Expert event once a month on the second Tuesday. During these infothons viewers are encouraged to call in and seek medical advice from Intermountain Healthcare professionals. The Baby Your Baby campaign focuses on women 18 TO 35 sharing the message of quality prenatal care which includes seeing your doctor 13 times during your pregnancy and by the 13th week you are pregnant. The Check Your Health program reaches out to all Utahns and encourages them to make choices to live a healthier life including scheduling routine screenings eating healthy foods and being physically active. KUTV recently launched a powerful campaign called Addicted Utah aimed at revealing the widespread addiction issues including opioids, smoking drinking and many others. In connection with this campaign we hosted our first town hall event in April. The topic was centered around opioids.

Program Title	Elizabeth Stanton's Great Big World
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturday 8:00 AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program addresses areas of particular concern to young teens, including global, social, educational and wellness issues. Elizabeth and select celebrity friends travel around the world volunteering in areas of specific need. The program combines exciting, fun and diverse experiences of world exploration with life-changing volunteer opportunities. Through in-depth and thoughtful interviews, various age-appropriate global issues are introduced to the viewing audience. In addition, Elizabeth and friends personal hands-on experiences in the field inspire teens in selfless, helping behaviors, and educate them on where and how to find volunteer opportunities. This program will air on the station's main digital stream.

Program Title	America's Heartland
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturday 11:00 AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Much of the food Americans eat is produced by farmers and ranchers in the country's heartland, but many children don't know how it's produced. "America's Heartland" provides information about the people and processes responsible for the availability of food and fuel across the country and around the world. The show's reporters and producers tell stories in topics that include farm families, consumer issues, animal welfare and crop sustainability. Children will learn about the production of the food and fuel they consume. Some episodes also take the show abroad to countries such as Egypt and Taiwan, to show the impact American agriculture has on the global economy. This program will air on the station's primary digital stream.</p>
