Total times aired at regularly scheduled time	26
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	GREEN SCREEN ADVENTURES - This program encourages viewers to use their creativity, curiosity, confidence, compassion, and enthusiasm for writing and reading, and build a foundation for critical thinking and problem solving. The program uses viewers' submissions of stories, reports on science, history or literature, persuasive writing and essays, recipes, drawings, and poetry as the basis for various program segments. Segments include story theatre, brain games, pupil's court, food folks puppets, detective "mcmystery", and journal journey. Watching viewers' submissions transformed by the cast promotes character development, cooperation and mutual respect of others, and inspires other viewers to submit their own entries, which may be aired on the program. This program will air on the station's tertiary digital channel 53.3.
