Digital Core Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	5.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	65.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Number of Preemptions Rescheduled	0
Length of Program	30 mins
Age of Target Child Audience	1 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The objective of this animated character education series is to engage children up to the age of 10 with entertaining adventures that help them understand the importance of behaving in accordance with a strong value system. These lively programs are meant to support parents and teachers in their efforts to model and instill healthy values in children. They portray situations that children face in their everyday interactions, describing emotions honestly and in terms that children find relatable. Each episode explores a complex concept, such as the importance of responsibility or honesty, by defining the core concept and cleverly illustrating consequences that can result when these values are not internalized and practiced in daily life.

	Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	"(Note 1) - During the quarter WNYB-TV aired on average 5 hours per week of core children's television programming, or 65 hours total for the quarter, on its primary digital channel 26.1 (SD). This represents 26 hours on average, above the 39 hours of children's television programming per quarter specified in Commission Rule 73.671." "(Note 2) - On its 26.2 (HD) channel the station aired 8 hours per week of core children's television programming, or 104 hours total for the quarter. This represents 65 hours, on average, above the 39 hours of children's television programming per quarter specified in Commission Rule 73.671. "(Note 3) - The station aired 57 hours per week of core children's television programming on 26.3 (SD2), or 741 hours per quarter. This represents 702 hours, on average, above the 39 hours of children's television programming per quarter specified in Commission Rule 73.671."
