Digital Core  
Programming

| Question                                                                                                                                                                                                                                                                                                                                                                                                                  | Response |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream                                                                                                                                                                                                                                                                                                        | 3.0      |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream                                                                                                                                                                                                                                                                  | 168.0    |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:                                                                                                                                                                                                                                                              | 3.0      |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?                                                                                                                                                                                                  | Yes      |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes      |

Digital Core  
Programs(15)

| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | Wildlife expert and animal ambassador, Jack Hanna, brings the viewer face-to face with the best of the beasts. In this weekly half-hour series that will engage viewers 13-16, as well as the whole family, Jack highlights his favorite animals and adventures from around the world. Presented in countdown style, Jack offers up a different 'top ten' each week in a variety of categories. What are the top ten 'fastest animals in Africa,' 'tallest insects,' 'biggest eaters,' 'smartest birds'...Jack will answer all of these questions and more. As Jack reveals the categories, he gives further insights and interesting facts about the animals allowing viewers of all ages the opportunity to be entertained as well as learn more about the fascinating animal kingdom in Jack Hanna's Wild Countdown. |

| Describe the<br>educational and<br>informational<br>objective of the<br>program and<br>how it meets the<br>definition of Core<br>Programming. | The half-hour weekly series, Ocean Mysteries, offers a fresh approach to the quest for aquatic understanding by blending stories of fascinating sea creatures, comparisons to popular land animals, and analogies to human experience. Hosted by Jeff Corwin, Ocean Mysteries is produced for ages 13-16 - and beyond -by showing how animals share the same behaviors, challenges and triumphs that humans do. From exciting rescues of abandoned animals to unexpected conflicts in the 'family dynamics' of the mingling species, viewers will get to know - and care- about these heroes, and all of the fascinating life teeming in our oceans. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The half-hour weekly series, Sea Rescue, features the rescue, rehabilitation and - in many instances - release back into the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there's a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue will leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet. |
| Does the Licensee identify the program by displaying throughout the program the symbol E/I?                              | Yes                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

| Describe the<br>educational and<br>informational<br>objective of the<br>program and how<br>it meets the<br>definition of Core<br>Programming. | A weekly, curriculum-blended, Educational/Informational (E/I), nationally syndicated magazine series highlighting inspirational teen success stories. Segments feature Extraordinary Teens, Breaking Barriers, Giving Back, Nutrition & Exercise with a focus on the arts, school, sports, community and teen entrepreneurship, while promoting social responsibility, perseverance, leadership, academic achievement and volunteerism. The goal of the show is to encourage the teen audience to discover and learn strategies to achieve personal dreams, explore volunteerism, build character and uncover personal passions. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Animal Atlas continues to make nature and the animal world entertaining and enlightening. The series uses humor, natural visuals, and an everyday attitude to reach the minds of its target group of 13-16-year olds. Without pandering, pontificating, or watering down material, it broadens the knowledge and perspective of young viewers through a friendly and fascinating presentation of information about the animal world. Those viewers that want deep information will find it here but those that just want to be entertained by well assembled sequences of unusual animals and interesting facts will get that, too. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Wildlife expert and animal ambassador, Jack Hanna, brings the viewer face-to face with the best of the beasts. In this weekly half-hour series that will engage viewers 13-16, as well as the whole family, Jack highlights his favorite animals and adventures from around the world. Presented in countdown style, Jack offers up a different 'top ten' each week in a variety of categories. What are the top ten 'fastest animals in Africa,' 'tallest insects,' 'biggest eaters,' 'smartest birds'...Jack will answer all of these questions and more. As Jack reveals the categories, he gives further insights and interesting facts about the animals allowing viewers of all ages the opportunity to be entertained as well as learn more about the fascinating animal kingdom in Jack Hanna's Wild Countdown. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Produced for viewers aged 13 to 16 and the whole family, Ocean Treks with Jeff Corwin is hosted by Emmy award winning host Jeff Corwin. In this weekly half hour series, Jeff embarks on journeys to fascinating global locations most people have only dreamed of visiting. Each episode brings Jeff to a unique area of the world where he will explore the area's natural wonders to bring viewers closer to nature, wildlife and manmade treasures. From mountain climbs to deep sea dives, helpicopter rides and glacier treks, Jeff brings young audiences on the inspirational trip of a lifetime. |

| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | The half-hour weekly series, Sea Rescue, features the rescue, rehabilitation and - in many instances - release back into the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there's a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue will leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet. |

| Describe the<br>educational and<br>informational<br>objective of the<br>program and how it<br>meets the definition<br>of Core Programming. | The half-hour weekly series follows the surprising, exotic, and challenging lives of a betertiary staff that cares for over 2,000 animals. From nutrition to treatments, x-rays to surgery, preventative care to emergencies, this educational and information program will allow viewers to witness a kaleidoscope of wild experiences through the eyes of our Veterinary Team. Unpredictable events unfold giving viewers a glimpse of the enormity, variety, and quality of treatment that sets the standard for animal care. |

| Describe the<br>educational<br>and<br>informational<br>objective of<br>the program<br>and how it<br>meets the<br>definition of<br>Core<br>Programming. | Rock the Park is a weekly half-hour series produced and designed to educate and inform children 13-16 years of age and taps into America's love affair with our national parks. In this awe-inspiring and entertaining series our hosts, Jack Steward and Colton Smith, come face to face with nature and some of the most amazing places on earth. Viewers will witness the fascinating underwater world of Dry Tortugas National Park in Florida, which is home to the world's most unique coral and marine life. They'll watch as Jack and Colton raft their way through Alaska's remote Aniakchak National Monument and Preserve, spotting the region's famous brown bears. Viewers will reach new heights as Jack and Colton embark on their biggest climbing challenge yet - The Grand Teton in Wyoming's Grand Teton National Park. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Culture Click is a weekly half hour series that explores the genesis of and reasons behind cultural events that permeate our everyday lives. Developed and produced for viewers aged 13 to 13, host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week. These topics will serve as a jumping off point for a deep dive into the culture viewers 13 to 16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society using the power and speed of the internet and user generated questions and content. Experts in pop culture will join her to add insight and historical perspective. |
