Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	It is during the adolescent years that career exploration, planning, education and decision making begins. There is no question that a career in one of the multimedia industries is among the most popular career choices of adolescents. Although many feel their calling is for a more obvious "on camera" career in acting, there are also a number of "behind the screen" pursuits that make for fulfilling career choices. Made in Hollywood provides career information and advice from top Hollywood professionals, so they can explore and learn about the technical, artistic, creative, business, and administrative careers that are a part of the motion picture, television, music video and home entertainment industries.
