Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.5
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	9.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	School is in session and the teens are back in class. The group of friends is quite varied and we get to know their principle too. The show focuses on their fun in school along with touching on serious social issues such as drug use, driving under the influence, homelessness, remarriage, death, women's rights and environmental issues. The story line tells us how this group of friends deals with each of these issues whether it is together or on their own.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the	<p>The license for WNYT-TV, LLC has been renewed with an expiration date of 6/1/23. WNYT-TV, LLC ceased broadcasting its analog channel on 6/12/2009 per FCC. WNYT/WNYA -TV The license renewal application for WNYA was timely submitted on 12/1/14. WNYT/WNYA 1st Quarter 2017 Projects Report The license renewal application for WNYA was timely submitted on 12/1/14. WNYT/WNYA 1st Quarter 2017 Projects Report WNYT/WNYA reaches out to the community to highlight our community's young people in several areas. The projects that do so involve highlighting student volunteers called "13 Kids Who Care", high school athletes along with high school scholar athletes. Each of these programs are underwritten. These segments aired each week of 1st quarter except the holiday week in February. Noted below are the students that we highlighted: WNYT/WNYA 1st Quarter 2017 Projects Report 13 Kids Who Care Brigid Mack- WNYT- March 6, 2017- 6pm- WNYA- March 6, 2017-10pm Brigid Mack is only 13 years old but she has worked hard to make the world a better place, especially when it comes to people with autism. Kelsey Kittleson- WNYT- March 13, 2017- 6pm- WNYA- March 13, 2017- 10pm We've seen 13 Kids Who Care who donate their time at hospitals but tonight is different, because along with donating her time there, she is also a patient. Kelsey Kittleson is battling a terrible disease, but she's not letting that stop her from doing what she's always done, give with all her heart. Jahmale Dickson- WNYT- March 20, 2017- 6pm- WNYA- March 20, 2017- 10pm Jahmale has had a burning desire to be a police officer since 2014. Following his dream, he joined the Police Explorers in Albany three years ago. Mat Adler- WNYT- March 27, 2017- 6pm- WNYA- March 27, 2017- 10pm Lots of children take piano lessons, but today's 13 Kid Who Cares is a little different. That's because he's not the one taking the lessons, he's giving them. Bob Kovachick is here to introduce us to Mat Adler. Bob Kovachick got to see Mat in action and the way he interacts, you know he's making a difference. Athlete of the Week Christian Nash- WNYT- January 3, 2017- 6pm- January 8, 2017- 8pm- The indoor track season is approaching a prestigious weekend and our Fidelis Care Athlete of the Week will be a part of it, in at least a couple events. Christian Nash may have been a little late getting into the running game but his name is now well-known across the section. When it comes to running, Nash finds his pre-race motivation in music but not just any song. Kyle Fairclough- WNYT- January 10, 2017- 6pm- January 15, 2017- 11pm Our Fidelis Care Athlete of the Week recently surpassed a personal milestone on the basketball court but it's a daily struggle that really makes Kyle Fairclough stand out. Now a senior at Waterford-Halfmoon High School, Fairclough says his experiences dealing with the life-threatening nature of his peanut allergy is what has him interested in attending the Albany College of Pharmacy and Health Services. Lizzy Congiusta- WNYT- January 17, 2017- 6pm -January 22, 2017- 11pm</p>

<p>next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.</p>	<p>A new camera for Christmas spawned the creation of a photography club by Lizzy Congiusta at Shaker High School and from that many opportunities have developed but for a much bigger picture of our Fidelis Care Athlete of the Week. Congiusta's dad played hockey and still does. Nick Wilsey- WNYT- January 24, 2017- 6pm- January 29, 2017- 11pm Nick Wilsey may strike you as a rare 3-sport athlete. From the crashing of bowling pins to the grunt work of shot put to the gracefulness of golf. Wilsey is also an avid hunter and a recent personal milestone is part of what make him our Fidelis Care Athlete of the Week. Wilsey has come a long way in bowling. Jake Bundy- WNYT- January 31, 2017- 6pm- February 5, 2017- 11pm Our Fidelis Care Athlete of the Week has battled through knee pain and somehow continued to play hockey at a high level. Jake Bundy is a 3-sport athlete at CBA who also finds time to give back to the community. Kayleigh Urdang- WNYT- February 7, 2017- 6pm- February 13, 2017- 11pm Personal tragedy struck the Stillwater bowling team this season and from it, Kayleigh Urdang and her teammates have grown closer and more determined. As a leader of the classroom, community and on the lanes, Urdang fits the bill as our Fidelis Care Athlete of the Week. The news of longtime Coach John Villa's cancer diagnosis stunned the Stillwater bowling team but it hit Urdang especially hard. Coach Villa was the biggest influence in her bowling success and since his death a week and a half ago, Urdang and her teammates have found a heightened sense of motivation. Kevin Mainello- WNYT- February 21, 2017- 6pm- February 26, 2017- 11pm 2001. That's the last time LaSalle won a sectional championship in hockey but the Cadets have as good a shot as any this season and a big reason for that is the scoring, toughness and leadership of our Fidelis Care Athlete of the Week. Despite a broken finger Kevin Mainello had to keep going and he said it didn't take all that much negotiating with the teams trainer. LaSalle is experiencing as much success this season as it has in more than a decade. Sarah Stewart- WNYT- February 28, 2017- March 5, 2017- 11pm Yesterday, the North Warren Girls Basketball team just won their first sectional championship since 1980 and there's one player who really stands out as a triple treat. Sarah Stewart can play, sing and act and that makes her our Fidelis Care Athlete of the Week. As you're about to find out, Stewart does everything she possibly can in the limited time she has. Eliza Blood- WNYT- March 7, 2017- 6pm- March 12, 2017- 11pm There is a long line of success at Queensbury High School when it comes to skiing and our Fidelis Care Athlete of the Week only strengthens that chain. Eliza Blood grew up in a sport that is not part of her future. Selena Lott- WNYT- March 14, 2017- 6pm- March 19, 2017- 11pm Selena Lott is an athlete born into a family of athletes. Her accomplishments in basketball are well-documented but her desire to win goes beyond the court. Jessie Show- WNYT- March 21, 2017- 6pm- March 26, 2017- 11pm The Mekeel Christian Academy girls basketball team ended a sectional championship drought of more than a decade this season. The leadership and competitive drive of Fidelis Care Athlete of the Week- Jessie Show, had a lot to do with the team's success. Michael Gabriel is one of the best track athletes in the section and the state but all of his success is thanks to more than natural talent. His work ethic makes him our Fidelis Care Athlete of the Week. State Senate Committee Meetings- WNYT- February 2, 2017- 5pm- 6pm- WNYA- February 2, 2017- 10pm There's an old saying that 80 percent of life is just showing up. However, that's not the case at the state Capitol. The NewsChannel 13 Waste Watchers team took a look at poor attendance in Senate committees.</p>

Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	School is in session and the teens are back in class. The group of friends is quite varied and we get to know their principle too. The show focuses on their fun in school along with touching on serious social issues such as drug use, driving under the influence, homelessness, remarriage, death, women's rights and environmental issues. The story line tells us how this group of friends deals with each of these issues whether it is together or on their own.
