Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Brain Games: Family Edition is a weekly half hour series that explores the fascinating components of the human brain and how they shape our perceptions and everyday lives. Produced for children aged 13-16, Brain Games: Family Edition's host Jason Silva opens each episode with an exercise for your mind which will often leave you scratching your head. These exercises will serve as a jumping off point for a deep dive into the reality of human perception and the fascinating ways that our brain functions. Each week, Host Jason Silva will explore a variety of different topics including visual perception, memory, skill learning, decision making, and many more. Brain Games: Family Edition educates and inspires viewers by presenting a series of experiments and activities designed to help people improve cognitive function and use their brains better, smarter and faster.

Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Dog Town, USA is a story of the men and women who devote their lives to the healing and happiness of dogs - from every corner of the nation. Built on 33,000 acres of pristine land in Utah, Dog Town, USA is the nation's preeminent facility dedicated to finding safe homes for abandoned dogs. Each week, Dog Town USA's highly skilled staff and internationally renowned experts first create a safe sanctuary for dogs from around the world. Then, Dog Town, USA's medical professionals provide unique personal care to each dog, beginning the detailed process of rehabilitation in preparation for uniting each dog with a loving new family and home. Dog Town, USA is produced for ages 13-16 and will inspire young people to pursue their dreams while valuing the importance of dedicating oneself to the greater good of community and family. The series demonstrates the powerful interaction between humans and animals with a focus on our canine companions. Dog Town, USA educates and informs the audience about canine training techniques and creating healthy environments for dogs. Dog Town, USA's trained experts teach teen viewers how to be a responsible pet owner and maintain a safe and healthy lifestyle for both family and pet. Viewers will get to know - and care - about these dogs and the heroes who do whatever it takes to give them a second chance.
